INSTRUCTIONS FOR COMPILING

STATE BOARD OF EQUALIZATION FORM BOE-1056

A report on this form must be filed by each holder of a California Certificate of Compliance issued pursuant to Section 23671 California Alcoholic Beverage Control Act.

The report must be completed in such detail as required by the form and mailed to State Board of Equalization, Box 942879, MIC:56, Sacramento, California 94279-0056.

The report must be filed on or before the 10th day of each month and must show all shipments of beer into California during the preceding calendar month. A report must be filed even though there are no shipments to report.

COLUMN

A	Enter the name of the California Importer to whom shipment is consigned. If shipment was sold to a person other than to the consignee, show both name of purchaser and name of consignee.
Pool Shipments	In reporting pool shipments list each consignee as a separate shipment.
B	Enter name of California city to which shipment is destined.
C	Do not write in this column.
D	If shipment entered California *via railroad or motor carrier* enter name of carrier; if shipment entered California *via steamship* enter name of steamship line.
E	If shipment entered California *via railroad* enter railroad car initials and number.
	If shipment entered California *via steamship* enter bill of lading number.
	If shipment entered California *via motor vehicle common carrier* enter truck trailer number.
F	Enter invoice date and number covering the shipment.
G	Enter the total number and type of packages contained in the shipment. It is not necessary that quantities be segregated by type and size of container with the exception of kegs/barrels.
H	Enter total gallons contained in the shipment.
	Report all beer in wine gallons. To convert liters to wine gallons, multiply the quantity in liters by 0.26417. Round the resulting figure to the nearest one-hundredth of a gallon.

Certification: If a multiple page report is filed, only page 1 of the report need be certified.
